Counsel for the Plaintiff and the Defendants have engaged in settlement discussions in this matter and believe the parties are close to reaching a settlement agreement. On January 29, 2007, the parties filed a Stipulation and Order Continuing Hearing on Motion for Remand. The parties stated in the Stipulation and Order Continuing the Hearing that "the parties do not wish to further pursue

any legal proceedings in this matter at this time and would like an opportunity to finalize the settlement agreement.”

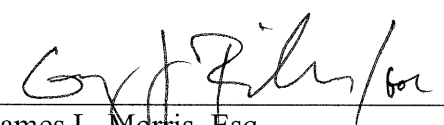

The parties had intended to suspend all further legal proceedings in this matter until May 2, 2007, including the Initial Case Management Conference (hereinafter “CMC”). The continuance of the CMC did not occur and is currently set for March 14, 2007, at 2:30 p.m. The parties have met and conferred regarding a continuance in this matter and jointly request a continuance of the CMC and request to postpone any and all further legal proceedings on this matter until May 2, 2007 at 2:30 p.m., or thereafter. The parties anticipate that the matter will be resolved by this date and a dismissal will be filed prior to May 2, 2007.
